## The 100 Club is BACK!

This season we have reinstigated the 100 Club which will be administered by Bob Jenner and Garry Smart.

The 100 Club was created many years ago as a way to keep past members and players associated with the Waratah Football Club. The 100 Club enables it's members to continue to actively support the football club, as well as keep in-touch with each other, through their own private functions. The 100 Club is open to anyone who would like to join.

## Farewell Life Members, Ronnie Baker & Tony Street

Last month we paid our respects to and celebrated the life of the Late Ronnie Baker. Ronnie was a great club man—a Life Member, committee person and past player.

It is with sadness that we now farewell another Life Member, Tony Street. Tony also dedicated much of his time to our club over the years. We thank him for all that he did. He will be missed by many. Our sympathy goes out to his family.

Members are invited to attend Tony's funeral service on Wednesday, 29 August 2018, 10.30am at Darwin Funeral Parlour.
